Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.
(Lester Ebert)

LONG-SHADOWED FOREST (PAPERBACK)

University of Minnesota Press, United States, 1998. Paperback. Condition: New. Reprint. Language: English. Brand new Book. In 1954, Helen Hoover and her husband Adrian left their careers and the big-city life of Chicago to move to a small cabin in the north woods that border Minnesota and Canada. Living without electricity, telephone, or a car, the Hoovers became part of the environment, peacefully coexisting with their wild neighbors. The Long-Shadowed Forest is the amazing record of the Hoovers' relationship with deer, mice, birds, squirrels, moose, and other creatures of the forest. The Long-Shadowed Forest, illustrated throughout with Adrian's charming line drawings, is a welcome treat for Helen Hoover fans and will be compelling reading for nature lovers everywhere.
