KNOWLEDGE CAPITAL IN THE DIGITAL SOCIETY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. "Knowledge Capital in the Digital Society" describes how the information society arose, is currently structured, and its possible future directions. The author argues that knowledge is an important part of a person's capital and that information technologies have brought us to the critical point where knowledge is becoming systems-centric instead of brain-centric. He describes how digital technologies are creating a new world information community (WIC)...
