

Nora Ritual Performance of Southern Thailand - A Cross-Cultural Study: Ritual Performance of Southeast Asia Volume I (Paperback)

By Prof Cholthira/ Dr Satyawadhna

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Large Print. Language: English. Brand new Book. The Ritual Performance of SEA Series shows the exposition of both rituals and dances of Southeast Asia in anthropological perspectives. In this volume (Volume I), the researcher investigates Nora, a unique ritual performance of Southern Thailand and elaborates the belief system and social structure of the societies studied across the Southeast Asian border. It is discovered that this living culture has still woven the pride and virtue of the Southern Thai and the Siamese in Malaysia. In Volume II, a cross-cultural study in anthropological perspective is also conducted in order to show that there has been some significant linkage in the belief of "the Seventh" within the Southeast Asian and European myths.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mother and dad suggested this ebook to discover.

-- Adela Schroeder II
