Amazon Publishing, United States, 2019. Hardback. Condition: New. Language: English. Brand new Book. Wall Street Journal bestselling author Charlie N. Holmberg builds her bewitching world of beasts and betrayal as the Numina Series continues. Sandis has escaped Kazen's grasp, but she finds herself unmoored, reeling from her thief friend Rone's betrayal. Kazen has been hurt but not stopped, and he'll do anything to summon the monster that could lay waste to the entire world. Sandis knows she must be the one to stop him, but with her own trusted numen now bound to another, and finding herself with no one she can trust, she is in desperate need of allies. Rone seems determined to help her, but Sandis has no intention of letting him get close to her again. What she doesn't know is how much Rone gave up to protect her. Or how much more he is willing to give up to keep her safe. As chaos mounts, Sandis must determine whom to trust. After all, the lines between enemy and ally have never been less clear, and corruption lurks in the most unlikely of places.
