21 STRANGER CLAIMS IN THE OLD TESTAMENT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. 21 Stranger Claims is about the Bible and immigration. It's an argument for hospitality. The force of the teaching in Scripture is usually overlooked, and it can be a shock. The book is addressed primarily to people who identify themselves as "conservative" both politically and religiously. On immigration, you have to choose: conservative politics and conservative religion do not fit together. Scripture demands, over and over, that people who seek to know and love God must welcome strangers. 21 Stranger Claims is a piece of a larger work in progress. The larger work, McGivney's Guests, emerges from conversations among Knights of Columbus, a Catholic fraternal and service organization. McGivney's Guests explores the teaching and practice of hospitality in: (1) the Old Testament, (2) the New Testament, (3) the writing the Fathers of the Church, (4) three American saints who worked with immigrants, (5) the formal teaching of the Catholic Church about immigration, (6) the letter of the American and Mexican bishops, writing jointly in "Strangers No Longer," and (7) the practice and public position of the Knights of Columbus. The book is set up as 21 claims or assertions to be argued. The claims are made clearly and simply, in about 500 words each. Examples: "Moses did not describe the evil of Egypt as genocide or treachery, but as inhospitality. Welcome strangers, because - remember! - you too once were a stranger in a strange land. (Exodus)." The texts that lead to the claims are provided, including - for example - the whole story of Gibeon, a story that is not well known but which illuminates other stories (Sodom, Exodus, Babylonian exile). And there is some additional commentary, such as the meaning of the gesture...
