## THE WAR OF THE WORLDS [LARGE PRINT EDITION]: THE COMPLETE & UNABRIDGED ORIGINAL CLASSIC (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Large type / large print edition. Language: English. Brand new Book. This premium quality large print volume includes the complete and unabridged text of H. G. Wells' original science fiction classic -- The War of the Worlds -- an enduring and still-popular work which exerted a huge influence on the science fiction genre which continues today. This freshly edited and newly typeset edition features a large 7.44"x9.69 page size and is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design. Also included in this volume are page headers and an introductory biographical sketch discussing Wells' life, work and continuing literary significance. This tale involves the theme of humanity coming into conflict with strange alien societies, in this case the invasion of the earth by hostile Martians. Wells would revisit this theme, in the context of the encounter between human explorers and the native inhabitants, in *The First Men in the Moon*. A common theme in the science fiction genre, these tales by Wells represent two of the earliest and most influential such stories. But unlike so many of the similar stories that have followed, Wells did not posit either the innate superiority of humanity or man's scientific achievements as the earth's salvation. Rather, Wells' story portrays humanity as more or less at the mercy of forces beyond its control, reflecting an underlying fear that scientific discovery and progress might not make man the unchallenged master of the universe after all. Herbert George Wells (1866-1946), was born to shopkeepers who had previously been employed as domestic servants. When an injury ended his father's income as a professional cricketer, Wells' parents, on the brink of poverty, apprenticed him to a draper, but he was...
