Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. A collection of rhyme and prose aimed at young adults and above. Inspiration is found in the most unlikely of places, friendship discovered in the strangest of faces. When all too often we lose sight of what's important we find a flicker of hope ahead. In a time when most of us will spend time alone there is an urgent need to communicate our thoughts and emotions. 'Fifteen Decibel' is my expression of the emotional residue that I have accumulated over many years, though not always certain from where it came. I hope that you find both pleasure and wellbeing on hearing 'the gears of my mind'.
