While on Xenos, Jaden plays in the Andromedian's futuristic gravity games; flies around the planet without a body by using nanoyes; observes the planet's gravity tides; wars; joins a space team; races in (EIS) exoskeleton intergalactic spaceships and plays a virtual game of chess with alien pieces. Bellona befriends Jaden and is his personal escort while he is a guest on Xenos. Bellona unintentionally develops a special interest for Jaden (Bellona used to be a carbon life form in her past life). She tries to understand his Catholic beliefs and explains her people's long history on religion, technology and why he is there. Even though ten years has passed on Earth, Jaden's human body has only aged a few weeks....
