The Art of War - Concise Version The Oldest Military Treatise in the World Sun Tzu Translated from the Chinese by Lionel Giles The Art of War is an ancient Chinese military treatise attributed to Sun Tzu, a high-ranking military general, strategist and tactician. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly known to be the definitive work on military strategy and tactics of its time. It has been the most famous and influential of China's Seven Military Classics, and "for the last two thousand years it remained the most important military treatise in Asia, where even the common people knew it by name." It has had an influence on Eastern and Western military thinking, business tactics, legal strategy and beyond. The book was first translated into the French language in 1772 by French Jesuit Jean Joseph Marie Amiot and a partial translation into English was attempted by British officer Everard Ferguson Calthrop in 1905. The first annotated English language translation was completed and published by Lionel Giles in 1910. Leaders as diverse as Mao Zedong, General Vo Nguyen Giap, General Douglas MacArthur and leaders of Imperial Japan have drawn inspiration from the work.
