

Fidel: A Play in Two Acts (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

FIDEL: A PLAY IN TWO ACTS (PAPERBACK)**DOWNLOAD**

Ediciones del Mayab, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Exiled to Mexico, Fidel Castro plots--along with his brother RaUl and Ernesto Che Guevara--to overthrow the government of Cuban dictator Fulgencio Batista. What Fidel does not anticipate is falling in love with a Mexican school teacher, Lla CAmara. He must, however, abandon her to wage revolution in Cuba. Months after consolidating power, he sends for her. She flies to Havana and is received as a dignitary. She tours Cuba and decides to stay, where she throws herself in establishing a rural school system to bring literacy to millions of Cuban peasants. In short order, however, she begins to have misgiving as the Revolution takes a dark, totalitarian turn. Torn between her love for Fidel, who has asked her to marry him and become the First Lady of Cuba, and her convictions, she abruptly decides to leave Cuba. Heartbroken, Fidel goes about his Revolution-- lashing out with anger and terror against his political opponents--but across the decades, the former lovers remain very much in each other s minds--and hearts. The last contact takes place in November 2015, a year before he died at the age of 90. Time: 1955-1961 Place: Cuba.
