

IFRS Primer: International GAAP Basics, Canadian Edition (Paperback)

By Irene M. Wiecek, Nicola M. Young

John Wiley and Sons Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English. Brand new Book. Canadian public companies will have to follow International Financial Reporting Standards as of January 1, 2011. The IFRS Primer: International GAAP Basics serves as a roadmap to provide guidance and a path through the period of transition for both students and instructors. The IFRS Primer covers an introduction to IFRS basics and is a stand-alone volume, which is a logical supplement for use with existing Canadian or U.S. introductory, intermediate and advanced financial accounting textbooks. While the chapter content does not directly discuss differences between Canadian accounting standards and IFRS or U.S. standards and IFRS, chapter icons identify where there are significant differences and an appendix explains the major differences.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who stutte that there had not been a worth reading. You may like how the author publish this ebook.

-- Demetrius Buckridge

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- Curtis Bartell
